Notifier IFS-2600 Conventional FACP

Dear Valued Customer,

Notifier is pleased to announce the release of an improved version of the IFS-2600 conventional FACP and agent releasing panels. Amongst the improvements, the new IFS-2600 will feature the flexible and robust NPS power supply and will now be available in the CAB650 and CAB900 cabinets.

Feature Overview:

- Improved accessibility for easy fit-off within enclosure
- Increased module capacity
- Modular design for simpler field upgrade
- Utilizes NPS-5 and NPS-11 power supply for improved flexibility and reliability
