## **SP-100WP – Moisture proof 100mm recessed speaker**

Dear Valued Customer,

NOTIFIER is pleased to announce the release of the SP-100WP – Moisture resistant 100mm recess speaker. The Notifier SP-100WP is designed for use with Public Address and Voice Alarm (PA-VA) systems installed high humidity environments or areas where the speaker may be exposed to moisture.

The SP-100WP incorporates all the features and function of the standard SP-100 speaker plus the below additional features;

- Aluminium grille
- Latex treated moisture resistant speaker cone
- New covered terminal housing with integrated field cable fixing point

For more information on features and application of the SP-100WP please contact your systems consultant.

Sincerely,

James Edwards  
Product Manager
